Dear Chris,

I write to invite you to participate in a day-long visit to the Council on Foreign Relations (CFR) New York headquarters on Friday, September 27, as part of your ongoing participation in the CFR congressional foreign policy study group. This trip will provide you, and the other study group members, an opportunity to engage with members of the council, and CFR fellows based in New York.

We will be departing from Union Station at 7:55 a.m. and returning later that evening. All costs associated with this program will be covered by CFR.

Additionally, please find attached all necessary documents to be submitted to the Senate Committee on Ethics, including the employee and trip-sponsor pre-travel forms, the formal programming agenda, and a list of all invited staff members. You are welcome to remain in New York at your own expense, please let us know if we should book your return travel for a later date. Please note that you must notify the Ethics Committee if you plan to extend your stay.

The deadline for submitting these pre-travel authorization forms to Ethics is Tuesday, August 27.

*Once you have submitted your forms, please inform me so that our travel agent can move forward on making arrangements.*

We hope that you will take advantage of this unique opportunity. If you have any questions, please feel free to contact me directly at 202.509.8526 or via email at [jhyman@cfr.org](mailto:jhyman@cfr.org)

☺ We look forward to hearing from you.
